Bond Required

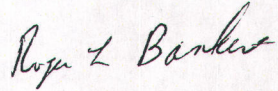

American Gilsonite Company currently has on file with the Bureau of Land Management (BLM) Utah State Office a statewide bond (No. 103521627-0004), in the amount of \$120,000.

On November 20, 2015, this office received a letter from the surety on this bond, Travelers Casualty and Surety Company of America stating that this bond will be cancelled effective December 20, 2016.

Therefore, the BLM Utah State Office, in conjunction with the BLM Vernal Field Office, is requiring that a replacement bond be provided in the amount of \$120,000 prior to the current bond cancellation date.

This bond amount may be provided by submitting a new surety bond or a personal bond for the required amount. Enclosed are forms for submitting a surety bond (Form 3504-3) or a personal bond (treasury note or cash in lieu of bond) (Form 3504-1). If you do not agree with the bond amount, you must submit written justification to this office clarifying your position for a lesser bond amount.

If you have any questions, please contact Bill Buge of this office at (801) 539-4086.
